MEMORANDUM FOR: Deputy to the DCI for Resource Management

FROM: Director of Central Intelligence

SUBJECT: HPSCI Testimony on NFIP Budget ☐

25X1

1. I'd appreciate it if you would review my testimony on the NFIP budget before the HPSCI with an eye to singling out those areas in which either:

a. We did not do well in our presentation; or

b. There was a line of questioning which indicates considerable Committee interest. ☐

2. I would suggest we begin now to prepare supplementary testimony on these points for my wrap-up presentation on 9 March. Clearly we can follow the discussion of these same issues with Program Managers in the interim, but if we start now we should be able to get the text and graphics in better shape rather than if we wait until the last minute. ☐
